

## Virtual Mentoring Activities

- Attending staff meetings via skype with mentor.
- Explaining how certain issues are handled in businesses.
- Book reading and discussion
  - Utilize a book of your choice that you believe will benefit your mentee. Discuss the findings after a certain period of time.
- A day in the life:
  - Mentor will virtually show mentee a day in their life.
  - This will require mentor to plan ahead a time that will work for both participants.
